

*Snowflake Card*  
*Parchment Craft Pattern by Gilly Howe*

## Snowflake Card Instructions

You will need:

1 Sheet of white A4 parchment paper  
White ink (Tinta ink used)  
Mapping Pen  
White pencil  
Bold perforating tool (or bold two needle tool, if available)  
Semi Square perforating tool  
Micro, small and medium embossing tools  
Adhesive gems in various sizes (optional)  
Coloured card or white/coloured parchment (for liner)

### Trace

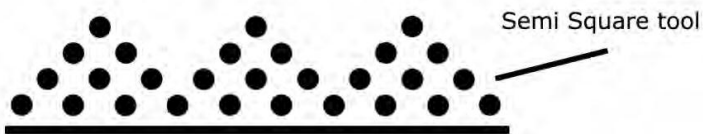

Secure the parchment to the pattern and trace the whole design plus the chosen greeting using the white ink and the mapping pen, except for the fold line which should be traced in white pencil.

### Emboss

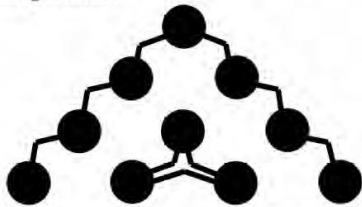

Using the micro embossing tool, emboss the whole design including the greeting.  
Using the medium and small embossing tools, emboss the main body of the snowflake – see picture for guidance.

### Perforate/Cut

Using the bold perforating tool or bold two needle tool, if available, perforate around all of the sections marked 'P' on the pattern. Cut the perforations to remove the excess parchment.  
Using the Semi Square perforating tool perforate around the outside edge of the card. Cut the perforations as follows:

Cutting Guide:

### Finishing

Fold the card along the fold line.  
Fold the coloured card or white/coloured parchment in half and insert in to the parchment card, glue in place and trim to size as desired.  
Stick adhesive gems (if using) on to the card as shown in the picture or as desired.

Alternative greetings:

*Season's*

*Happy*

*Happy*

*Greetings*

*Christmas*

*Holidays*
